

REMARKS

Claim 1 has been cancelled and Claims 2 to 11 have been amended. The changes to the claims are substantially cosmetic and do not detract from the scope of the invention.

The amendments above are intended to supercede the amendments set forth in the Amendment filed July 3, 2003.

The Examiner has provisionally rejected Claims 1 to 11 under the doctrine of obviousness-type double patenting. While Applicants do not necessarily agree that a Terminal Disclaimer is appropriate, a Terminal Disclaimer is enclosed herewith.

Reconsideration and allowance of the claims herein are respectfully requested.

Respectfully submitted,

William H. Dippert
